

2019 Sponsorship Package

About

Patricia Duran is the executive director of RTALC conference.

Patricia received her master's degree in mass communication from ENMU in 2018. To receive a master's degree, graduate students can either write a thesis or do a capstone project. She is one of the first ENMU communication students to put on a revival and church event for her capstone project.

Patricia has been planning church events for the past three years and leading worship for the last four years. She is the worship pastor at Mesa Church.

“Revive the Light Conference” was her capstone, as well as her life's mission to bring Christ's love to hidden places. Last year, over 255 people came to RTALC from New Mexico, Texas, Wyoming, Arizona, and Colorado. After the success of the 2018 conference, Patricia and her husband decided to move to Raton to open up Mesa Church.

Mission

The “Revive the Light Conference” is on schedule to be held in Raton, New Mexico on August 9 & 10, 2019 for two days at the Shuler Theater.

The mission of “Revive the Light Conference” is to spark a fire across generations who feel dulled by the world’s darkness. Every day, we battle with brokenness, poverty, crime, and addiction (just to name a few). We believe it is only by God’s light that we have the power to change people’s hearts, create prospering lives, and revive a city. We want to awaken generations to the power of Christ and help them move forward in their destinies.

This conference is set in place to revive the light—hope, passion, love, and freedom—inside individuals.

Once the flame is lit, we hope our attendees will witness the power of the gospel and leave with the tools to change their lives and influence others.

The conference is recommended for ages 15 and up. We are already expecting over 250 people (minimum) to attend this event. Of course, Mesa Church of Raton is the sponsoring ministry for the conference.

In addition, Put Him First (PHF) is coming from Houston and Bible Connect is coming from Clovis, New Mexico to provide ministry training, music, and fellowship for our volunteers. We plan on gathering the churches across Raton to become involved, as well. We will have a special guest speaker and rapper Siveola. He actively works with Kingdom Muzic and has over 20k followers on social media. Also, American Ninja Warrior participant James “Andrizo Warrior” Gross will be speaking at the conference.

Sponsorship & Donation Program

Please consider sponsoring or donating to our conference.

Our goal is to make this event free and fully funded by sponsors and donations.

After venue rentals, event insurance, sound and lighting, stage design, advertising, merchandise, and travel expenses for speakers and entertainment, our budget is between \$3,000-3,500.

All donations will go directly to paying event costs, and any excess funds will be used for next year's event.

Our sponsors believe in the mission and have donated their time, money, and effort to make "Revive The Light" a reality. We thank them from the bottom of hearts for having faith in our conference!

If you believe in what we are providing to the community, please consider becoming a sponsor for this event.

As a sponsor, your name, business, and organization will be associated with the conference.

All businesses and organizations that sponsor or donate will be placed on our website and announced at our event.

We have created a sponsorship package so that you and your organization can receive acknowledgement for your contribution and gifts.
